Construction Alert

Week of January 15, 2024

Construction Highlights:

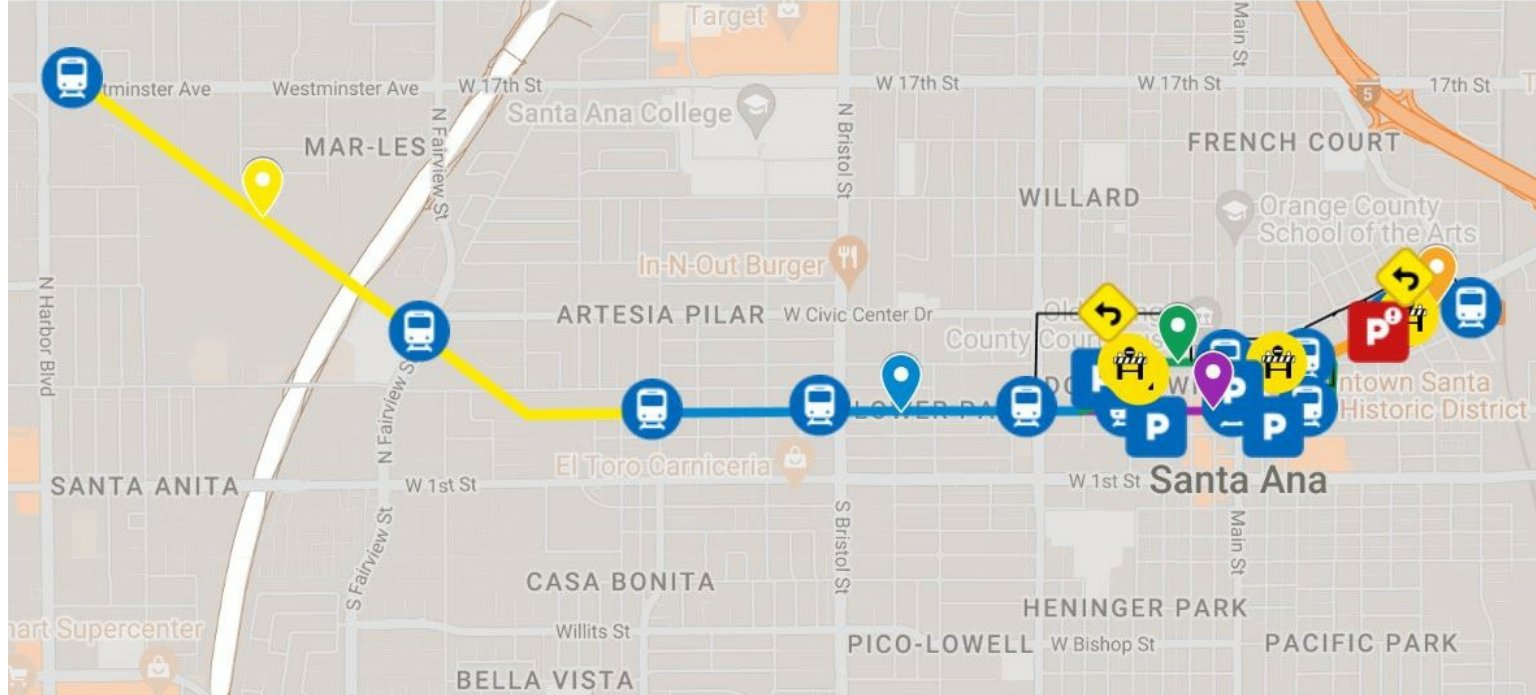

- Platform installation in Segment 3 along Santa Ana Boulevard at Sycamore Street and at French Street. Temporary lane and parking restrictions are required along the segment.
- Curb improvements and paving in Segment 3. Work requires a closure of Santa Ana Boulevard from Broadway to Parton Street and a closure of the northbound lane on Ross Street from Civic Center Drive to Santa Ana Boulevard. Learn more [here](#).
- Platform installation and sidewalk improvements along Segment 4.
- Electrical work along Segment 4. Work requires rolling closures along the eastbound lane of 4th Street between Ross Street and Mortimer Street for approximately seven days. The eastbound closure will be in effect 7 a.m. to 3 p.m. each day and the westbound lane will remain open for the duration of the work. Learn more [here](#).
- Platform construction in Segment 5. Work requires the below traffic controls to be in effect. Learn more [here](#).
 - Closure of the north side of Santa Ana Boulevard from Minter Street to Poinsettia Street. Eastbound traffic is shifted to the south side of the street. Westbound traffic is detoured.
 - Partial intersection closures at Lacy Street and Garfield Street.

Access will be maintained for all residents and businesses. Construction activities are dependent on weather and resource availability.

For information on how to process a construction-related, personal or property damage claim, please contact Tresa Oliveri at (714) 560-5374 or ocstreetcar@octa.net. She will provide information for the next steps in the process to file a claim with Walsh Construction.

Parking in Downtown Santa Ana

Street parking in Downtown Santa Ana may be limited while construction is active. Several parking structures are available throughout the downtown area that offer free parking Monday through Friday, from 7 a.m. to 5 p.m. The first 2 hours of parking are free evenings and weekends:

- 310 N Birch Street
- 253 E 3rd Street
- 420 N Main Street
- 300 E 5th Street

The entrances to parking structures are accessible from 5th Street and 3rd Street.

Download a PDF of the parking map [here](#).

The below parking structures are available while construction is active on 4th Street. Entrances to the structures are accessible from 5th Street and 3rd Street.

OCSTREETCAR

Moving Forward

Free parking - M-F: 7 a.m. – 5 p.m.
2 Hrs. Free - Evenings & Weekends

Eat, Shop, Play

OCTA's Eat Shop Play program supports businesses located along the future OC streetcar route. Benefits to customers include special deals, invitations to community events and free parking for the first hour in nearby structures. Learn more at octa.net/eatshopplay.

About the Project

OC Streetcar is the first modern streetcar project to be built in Orange County and will serve Santa Ana's historic and thriving downtown, which includes federal, state and local courthouses, government offices, colleges, an artists' village and a thriving restaurant scene. It will operate along a 4.15-mile route that connects the Santa Ana Regional Transportation Center (SARTC) and a new transit hub at Harbor Boulevard and Westminster Avenue in Garden Grove.

Help OCTA design a walking and biking trail for your community!

Orange County Transportation Authority (OCTA), in cooperation with the cities of Garden Grove and Santa Ana, the California Department of Transportation (Caltrans), and the County of Orange, is advancing the OC Connect trail project. The project creates a 4-mile biking and walking trail connection between the downtown areas of Garden Grove and Santa Ana as well as to the Santa Ana River Trail and the countywide 66-mile bikeway - OC Loop. This project will improve the transportation network along the corridor and provide a safe, well-connected active transportation route. Sign-up to receive project updates!
